*The "date" refers to the period of time during which the BRA proposes to acquire any particular parcel shown in the list in accordance with its "Land Acquisition Staging Plan" which is to be used as a guide for later land acquisition activities in the Washington Park Urban Renewal Area. The figure 1 in the date refers to the first six-month period, from January through June, of the designated year; while the figure 2 refers to the second six-month period, from July through December, of the designated year. As a guide, the "Land Acquisition Staging Plan" is sufficiently flexible, however, so that irrespective of the date indicated the Authority may vote to acquire at an earlier time, for example, (a) tax-title properties held by the City of Boston, (b) properties on which there are situated hazardous buildings representing a clear and present danger to the public, and (c) properties required to accelerate the neighborhood improvement program.
